

## FROM OUR **PASTOR**

---

**2022**

Dear Brothers And Sisters In Christ,

As we draw to the end of another school year I am continually amazed at how time passes so quickly. I see pictures of children I was privileged to teach religion to graduating from high school and going off to college. This past week I saw Senior Prom pictures of kids in my mind who should have been in 8th grade. Even though I am not a big fan of getting older it sure is nice to see how all of these wonderful young people have turned out. It is exciting to see that nine (9) kids are going to the National Youth Gathering. It was amazing to see 20 young people working on the Easter Breakfast.

God has blessed this church and school with young people who serve as an example to all of us and to the community. We also need to thank all the adults and parents over the years that have poured their hearts and souls into HTLS and our youth program. God bless all of you.

Holy Trinity Church and School has done so much to influence this community. You all have been a constant source of the Light of the Gospel to Bowling Green and Smiths Grove. What a blessing it has been and continues to be for me personally to be a part of this church and school community. The great news is that it just keeps getting better. God continues to pour out His blessings on Holy Trinity each and every day.

Today, take time to thank God for what He has done right here at Holy Trinity Church and School. Then take some time to thank the staff and the volunteers for all they do. God bless you all and thank you for making Holy Trinity such a great place to serve.

*God bless you,*

## NEWSLETTER NOTE FROM OUR ASSOCIATE PASTOR

### A Personal Note

During the month of May this year I have a rare privilege. Our oldest grandson is being confirmed in Florida on May 1, and I have been invited to preach for the services at their home church on that day. It was really special when I was able to officiate at our own children's confirmations. Now to have that joy with their children is especially exciting. Surely this is a gift of God to me!

In the 78<sup>th</sup> psalm, the psalmist Asaph speaks of the joy and privilege of passing on the faith to the next generations: "I will open my mouth in a parable; I will utter dark sayings from of old, things that we have heard and known, that our fathers have told us. We will not hide them from their children, but tell to the coming generation the glorious deeds of the Lord, and his might, and the wonders that he has done." Our fathers told us, and we do not hide those marvels from the generations that follow. One generation tells the next about the Lord's mighty acts, the wonders he has done.

This is our privilege as well, each of us who is part of any generation. We are thankful for the previous generation having shared the truths of God's love with us. We look forward to seeing the next generation engage with God's Word and His truth. We enjoy having the opportunity to share the Good News with the young people, our children, and our grandchildren – and we anticipate their sharing that same Good News with the generations after them. In this way, the Gospel of Christ is spread through all time. May that be our joy always!

### Smiths Grove Site Outreach

We continue to worship at the Smiths Grove site (First Christian Church, 427 College Street) at 5 PM on Saturdays. Bible study is being held at 4 PM, just prior to worship (just finishing up the study of the six chief parts of Luther's Small Catechism). Attendance has picked up lately, so that we have had some weeks as full as prior to COVID. We are thankful to First Christian Church for continuing to make their facilities available to us. As you may have occasion, please express our thanks to the members of First Christian.

Your support of this new worship site is vital. 1) **Your prayers** are important. Pray for open doors for us to share the Good News in Smiths Grove. 2) **If you know of people** around Smiths Grove (including Park City, Glasgow, Horse Cave, and similar places) who may need a church home, please pass the word to them. Or pass their names on to Pastor Press, and we will happily extend an invitation. 3) **Your offerings** to Holy Trinity Lutheran Church are also going to assist this outreach. Thank you for your encouragement and your love of God's work!

### **Step Up 4 Life**

*Step Up 4 Life* is an effort to help people connect with the important work of Lutherans for Life (LFL). For nearly 50 years, LFL has worked to educate people on the value of life at all stages, from the womb to the grave. *Step Up 4 Life* will mobilize people to support the work of this organization. You can help in several ways:

- 1) Pray for Lutherans for Life and its vital work.
- 2) Sign up to participate in the Step Up 4 Life. You can do this as an individual (\$30 each participant) or as part of a team (\$25 each). We are organizing a Holy Trinity team, and Pastor Press can help you to get connected.
- 3) Contribute to support those who are participating in the program.

The participants will be measuring their steps for a number of weeks to see how our energy can grow. Ask to see who will be participating in stepping up for the value of life.

**SUNDAY, MAY 8**

## **A WORD FROM THE DIRECTOR OF SCHOOL MINISTRY**

### **May Blink**

We are down to just two and a half weeks left of our school year and this is the time of year when things go so fast that if you blink you miss it. Spring is in the air, allergy season is upon us, and everyone is excited to be able to get outside and enjoy sneezing!

April began with a nice break and then picked back up quickly with Holy Week and ended with testing for our 5/6 graders. In mid-April our new preschool director, Hannah Yocum, started with us to begin learning the ins and outs of what it will take to direct this massive program. Work is under way to make sure teachers are in place for summer and for next school year and interviews are being scheduled to fill open positions.

We are going through quite a few changes as we adjust to the growth. Increased enrollment means more bodies to get in the door during drop off or pick up, more mouths to feed, greater challenges with scheduling, and more responsibilities with office duties. This requires extra help and better communication. As the School grows the spaces are filling up and the luxury we have had for many years of having a lot of extra space to do things is becoming more and more limited. Next year we will be separating our 3<sup>rd</sup> and 4<sup>th</sup> grades into stand-alone grades with the plan to separate 5/6 grades for 2023-2024.

It takes a multitude of factors to be in place in order for a school ministry to be successful.

God has blessed us in so many ways, and the support of our pastors and congregation have been instrumental in the growth and development of this ministry. Thank you for the value that is placed on Christian education and the support to be able to continue this viable ministry.

*In All Things,  
Bill Hiskey, D.S.M.*

### **LWML MID-SOUTH DISTRICT CONVENTION** Clarksville, TN June 10-12

Our district convention will take place at the Town Place Suites by Marriott. The theme is *"Planting Seeds of Faith - Growing and Sharing in God's Word"*, based on I Corinthians 3:6.

The keynote speaker is Rev. Dr. Gregory Seltz, Director of the Lutheran Center for Religious Liberty, and speaker emeritus of "The Lutheran Hour". The cost for registration from April 19 - May 20 is \$90.

An interesting seminar being presented at the convention is *"Learn about the Mara Evangelical Church and Burmese Culture"*. This is especially timely for us at Holy Trinity because the Burmese church worships in our building!

Contact Marsha Holm (407-579-3860) for full convention details.

- For our members who are going to college whether here in town or in another town/state
- For the students attending WKU that will attend HTLC while here in Bowling Green

Colossians 2:6-7

## 2022 TANZANIA MISSION TRIP

We are making plans for a team from the Mid-South District to return to Tanzania, Africa in May of 2022. To communicate to the people of Tanzania the life-changing power of Jesus Christ in a practical and understanding way; to develop them into responsible, productive, successful Christians, and equip them for their ministry in the church and like mission in the world.

We plan to visit the city of Shinyanga, home of the Southeast Lake Victoria Lutheran District.

The main emphasis of the trip will be to share the Good News of Jesus with the Sukuma people, located in Northwest Tanzania. We will also visit other areas of past ministry; such as food ministry to albino children, Mwadui Lutheran secondary school, widows' ministry. Team members will go door-to-door in villages to spread the word of God and the wonderful news of Jesus Christ's death and resurrection. The team will be accompanied by local ministers and lay persons who will act as translators. We will be using simple techniques such as: an Evangecube or Bible story telling. So, if you can share a 4<sup>th</sup>-grade level Sunday school lesson in your own words, you are qualified!

Please contact **Bob Allen** for more information about the trip at 270-535-7370 or [rjallen@prodigy.net](mailto:rjallen@prodigy.net)

The newsletter is being distributed via e-mail and the narthex boxes. It is also on the website. If we have an e-mail address for you we are sending it there. (We did not e-mail to a work address unless given prior permission.)

If we don't have an e-mail, a printed copy will be placed in the narthex mailbox for you. If you would like to receive newsletters by e-mail please contact the church office at 843-9595.

Printed copies are also available in the bottom row of the narthex boxes.

We encourage ALL staff members to attend the HTLS Chapel Services during the school year. We will close the School Entrance door each Wednesday from 8:20 a.m. to 9:10 a.m.

Church members are always welcome to attend the chapel services and worship with the students, staff, and families of HTLS. Please enter through the School entrance as no other doors will be unlocked by 8:20 a.m. We are essentially "locked down" during chapel but you are welcome to wait in the school lobby for the staff to return.

Please know that this will mean that no one will be answering the phones either, but you may leave a message and your call will be returned when the staff returns to the offices.

Our church is growing and we are developing more and more programs. This means that the building is being used more frequently as well.

In order to make using the building as easy as possible for everyone, it is **IMPERATIVE** that you contact the Church Office as soon as you plan to use any part of the facility to make sure the date and/or room is available, etc. There are also several policies that are in place for the use of the building that you would need to be aware of when hosting an activity at Holy Trinity.

All of the activities at Holy Trinity will benefit from everyone working together for the best use of the facility.

Holy Trinity has a **FAX MACHINE** for all those last minute – must get it to us items. The number is **843-7466**.

### PRAYER'S CERTAIN PAYOFF

Prayers prayed in the Spirit never die until they accomplish God's intended purpose. His answer may not be what we expected, or when we expected it, but God often provides much more abundantly than we could think or ask. He interprets our intent and either answers or stores up our prayers. Sincere prayers are never lost [and] will never be wasted or go unrewarded.
